What is a School-Parent Compact?

A school-parent compact is an agreement that explains how parents, teachers and students will work together to make sure all students reach grade-level standards. This agreement was jointly developed by stakeholders and is reviewed/revised annually based on feedback from all stakeholders. Compacts will be discussed during parent-teacher conferences.

Opportunities to Volunteer

We welcome and encourage parent engagement. All volunteers are required to have a background check in order to participate in some areas.

There are several ways for parents to give of their time and talents. Opportunities such as chaperoning events, tutoring small groups of students and proctoring for tests are just a few.

Unfortunately, these opportunities are not available this school year due to COVID-19 restrictions.
