Dear Parents/Guardians:

**SUPERINTENDENT**  
Dr. Jesse L. Jackson

The Lake Wales Charter Schools District is committed to providing your child/children with an exceptional learning experience.

DEPARTMENT**

**Director**  
Dr. Julio Acevedo

We are also constantly reviewing the CDC guidelines as it relates to school transportation regarding the COVID-19 Pandemic. To achieve the CDC objectives, we have been examining the time of travel to your student's educational institution. It is our goal to transport all students safely and in a timely manner. For us to attain this, we have had to rearrange multiple bus stops. We truly appreciate your patience as we continue to strive to meet the educational and safety needs of all students.

After much consideration, for the upcoming 2020-2021 school year we have had to make a difficult decision to no longer provide transportation to students residing in these areas: Haines City, Poinciana and Kissimmee.

The mission of Lake Wales Charter Schools, Inc. is to bring the best of public education to our community by providing innovation and choice within a continuous pre-school through postsecondary curriculum so that each child recognizes the benefits of life-long learning, constructive citizenship and personal happiness.

We will continue transportation in Winter Haven with the creation of pocket stops. More information regarding the Winter Haven pocket stops will be available when routes are completed.

Thank you for allowing us the opportunity to transport your child/children. If you have any questions, please contact our Transportation Department at (863) 215-8524.

The Lake Wales Charter Schools, Inc. is an equal opportunity institution for education and employment.

Respectfully,

The Transportation Department
