Dear parent/guardian,

As you know, your child's success on his/her speech therapy goal(s) is highly dependent on practice at home. Because of this, I'm sending a packet of home practice activities to be completed throughout the year. Depending on your child's age and reading level, he/she might need your assistance in completing the activities.

For each month, there are 4 pages to be completed (about one per week). Please assist your child as needed to complete the 4 activities on each page. Please let me know if you have any questions!

Thank you,
