

Title One Planning Meeting

June 15, 2020

Mrs. Squires, Principal, Mrs. Burrows, Assistant Principal, Mr. Smiley, Superintendent, Joanna Altman, Nurse/Parent, Mrs. Brenda Hannah, Behavior Interventionist

Mr. Smiley opened the meeting by welcoming everyone. He thanked each person for their dedication and service.

Mrs. Burrows then proceeded to define Title One to the group.

We started by assessing the needs for our building.

Which computer programs do we need to keep? Ticket to Read is currently only used by our 5K and Special Services students. RAZZ Kids is another reading program that is currently being used.

Math - Reflex Math (How much does it cost?) The committee decided to keep this program for continued math support. We may also need another computer program for reading skills.

Laptops for students (lab and classrooms)- There will be seven computers in the classroom for learning groups and enrichment instruction. (These computers will be issued to students if we need to go virtual as a school.)

Rokenbok Robotics will not be used this year. Teachers will spend more time on reading and math instruction.

Assistance for students – Maybe Tutor?? Latima Hannah? This will assist our students who are behind in the mathematical area. She could be used as a pull-out or part of the classroom small group arrangement.

Instruction Class size Is it possible to hire another teacher?

Parent Liaison/Behavior Interventionist

Parent Support- How do we encourage parents to come out to events? Our students need to participate in activities that parents will want to come and see. Reading Workshops to assist parents and students. Covid is the problem right now.

Professional Development for teachers- What do teachers need? Reading Conference, Math Conference, and Science Conference- We usually attend these.

Conferences – Math and Reading

Renaissance Reading- D. Tanner- Is it what we need? Yes- We will continue Reading Renaissance to foster the love of reading for our students.

DRA Assessment for students to guide instruction

5K Connections

PebbleGo for Emergent Readers

Supplies and material for students identified as homeless

Concerns and Questions
