

AMI - Day 1

Evaluate the current layout of your home. Write 1-page describing what is good and what you would like to change about the layout. Make sure to defend your choices.

AMI - Day 2

Write a minimum of two pages explaining the "perfect" workplace. Be sure to include examples, either fictional or personal.

AMI - Day 3

Sweep or vacuum the floors in your house. Take before and after photos. Create a chart of regular cleaning and maintenance that should be done in the home for a daily, weekly, and monthly schedule.

AMI - Day 4

Watch a home improvement tv show. Write a 1-page summary about what the program teaches and how it is applicable to your everyday life.
