SUBMISSIONS

Due to social distancing, all senior pages materials must be submitted digitally. This can be done in one of two ways.

- 1. Upload all letters and pictures to a flash drive and drop it by the front office in an envelope with the student's name.*
- 2. Share them via Microsoft 365 or Google Docs with the yearbook email account **jhsybk@gmail.com***

PERSONAL DESIGNS

Ads can be personally designed. Several platforms are listed to the right you may want to use. A standard 8.5 x 11 page will work fine. All pages must be saved as a .jpeg file at a resolution of at least 300 dpi. PDFs do not work.

PROFESSIONAL WISDOM

We do our best to accommodate personalized layouts. However, as a staff, we have years of experience on what works and what doesn't. We can often see potential for things you may not.

TRUST US. Also, our yearbook program may not be able to do the things you want it to do. Therefore, we prefer to create individual designs for each student based on the materials turned in. If you have a specific vision, to ensure your satisfaction, it is suggested you create those personally.

Pictures with lots of greenery and trees do NOT make good background pictures because it is hard to see the words on top of them.
