

CGE EVENT

CGE shares World Book “Free Option”

In response to the Corona Virus Pandemic, World Book is offering FREE access to World Book Online for classrooms, homes or on the go from any internet-connected device until May 31, 2020.

What is World Book Online? A suite of digital resources full of educational content to help you reach every learner and save time! World Book Online supports curriculum with a range of content and features that spans all subjects & grade levels. Collaboration is easier with Google Classroom and Microsoft OneDrive integration.

Ready-made
lesson plans
and Webquests

Google classroom and
Microsoft OneDrive
integration

Search by standard
or Lexile level

Read aloud, translate,
and other
accommodations

Why World Book Online? The range of topics and features provides users of all ages, abilities, and interests a place to explore in a safe, trusted environment. World Book products are tiered; each one is designed for a target area.

How to Access? You will need to register to get the ID/PW to access line before the teacher code will work. The attached document will help you navigate using WIZARD after you log on to World Book online but you have to register for ID/PW and give email address.
