Monthly Mantra

I am good to myself
and those around me,
and I communicate
clearly, easily, and
with love.

PARENT EDUCATION NEWS YOU CAN USE!

SSD Parent Education and Diversity Awareness Program (PEDA) offers workshops free of charge that are open to all parents, families, and community members. Due to the ongoing pandemic, all our currently scheduled workshops will be held virtually. Click here for details about upcoming workshops and how to register. Information about additional workshops will be posted as they are scheduled. View Workshop Schedule: <https://tinyurl.com/5dgyyhfw>.

Books are also available and can be requested from our Family and Community Resource Center (**FCRC**)-WE WILL MAIL THEM TO YOU!
CONTACT INFORMATION: MAIN LINE **314-989-8460** OR WEBSITE WWW.SSDMO.ORG/PEDA or email WWW.SSDPEDA@SSDMO.ORG. In addition, we are available to meet virtually based on individual request.

FREE TUTORING FOR UNIQUE LEARNERS

In partnership with the St. Louis County Library and funded through the CARES Act, Miriam Learning Center is offering free, in-person and virtual tutoring with special education, reading, content, and other certified teachers!

At Home and School

Sensory bottles

Sensory bottles are easy to make and are a great addition to your home or classroom's calm area. Watching the glitter and materials settle in the bottle can help students' thoughts and emotions settle as well. Plus, they can be used as timers!
