Parents,

Just a few quick reminders:

- **Please make sure your child is charging their chromebooks every night. I have very few extra chargers here at school and very few places to plug them in. I understand that we all forget every now and then, but I am having up to 8 or more students coming to school everyday with very low batteries or completely dead. We use our chromebooks during class for assignments, quizzes, ect.**
- **We will be out of school next Monday and Tuesday (October 12th and 13th) for fall break.**

Thanks! T. Minnix
