Cherrydale Fundraiser

2018

What is Cherrydale?

A school fundraiser that benefits all students at the VECC.

Cherrydale Farms
AMERICA'S FUNDRAISING COMPANY

When does it start?

Today is the start of our fundraiser. All students will get a packet to take home today.

What do I do with the packet?

All students sell items from the packets. They can sell to family members, family friends, and parent co-workers. Please do not go door to door to sell items. There is an order form for people to fill out. Please collect the money prior to the end of the sale. Checks can be made out to VHSA.

Online Sales

If you have family members or friends that live far away, you can use our online sales option. Directions for this are in the packet and located on the welcome letter.

What does the money from the fundraiser pay for?

The VHSA uses this fundraiser to help pay for or support ...
