

ADDENDUM 1

Questions regarding IT21.25.01.2 Computers

1. As you may know due to the current pandemic the state of California is under stay at home orders. Hence it would be very difficult for me to get the required documents notarized before the bid closing. I wanted to request that the notarized documents be allowed to be submitted after award.

A.All requirements within the RFP must be met and submitted with RFP/Bid Response on the due date.

2. Regarding the bid opportunity mentioned in the subject line I wanted to ask if we can bid on selected line items instead of all?

A. You may submit a response on any item or all items that you wish.

3. On Page 18 – Teacher’s Station – Option 1 and Option 2

The specification states :

Graphics Card: Intel® UHD Graphics 620 with Display port over Type-

C for i7-10610U

Is Hamblen planning to change from the Thunderbolt to the Display port over Type C for this Graphics card

A. Please use the Display port over Type C connection.

4. Can you tell me how many Interactive Flat Panels you are looking to purchase?

A. We do not have a specific quantity that we are looking at purchasing. We purchase this item as funds become available. Quantity could be anywhere from 1 to 400, depending upon funding available.

5. Would the district consider electronic responses? Hard copies could be provided by the awarded vendor We are still limiting the number of staff in our offices due to COVID

A. We can not legally accept electronic responses as stated in the RFP. These are formal requests. We can only accept electronic responses on informal requests. All responses must follow the instructions outlined in the RFP document.
