

Seaside School District 10

Code: **IIABB**
Adopted: 7/26/07

Use of Feature Films/Videos**

The Board recognizes the showing of commercially produced and rated feature films and videos may have a legitimate purpose in a school's educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the District. Only films rated G, PG or PG-13 may be shown as part of the school program. Students may view films with R ratings only if their parents give written consent.
