

# Weekly Message from North Canaan Elementary School

## Friday, April 30, 2021

*Click on the blue underlined links.*

*Hello, Families!*

**[NCES Family Check-In](#):** I hope you and your family are feeling a bit rejuvenated after the break and ready for a strong finish to the school year. How are you and your family this week? We want to know. Click the link to check in.

***Students carrying supplies:*** We will be asking students for one more week to carry home their supplies, in case we need to quarantine their class. Let's hope that we can finish the year without any classes needing to quarantine.

- Beginning today students will leave their computers and supplies at school and only carry home what they need for homework.
- All power cords and computers should be in school. We need to be certain that the computers are charged for school use and especially for the assessments beginning Tuesday for students in grades 3-8. We will charge them at school every evening.

**[Testing Schedule for Families](#):** Families of students in grades 3-8 should click the link to read the testing schedule that begins on Tuesday. All students in these grades need to take the assessment.

***Midtrimester is Today:*** Middle school families please check your children's progress this trimester in PowerSchool. Login to review their grades and learning practices.

***Mother's Day Plant Sale*** starts Wednesday at Freund's Farm Market & Bakery at 324 Norfolk Road in East Canaan. Students have received a flyer to bring to Freund's to purchase up to 10 flowering annuals for \$1 each. Each plant is three dollars without the flyer. Students must bring the flyer to Freund's from May 5th-25th to receive the special rate and raise funds for the PTO.

**[Arts Fund Scholarship](#):** Click the link for a scholarship opportunity for summer study in the arts. Applications are due in a month.

***May Menus:*** [Breakfast Menu](#) and [Lunch Menu](#)

**[Replay Music Studios Rock Band Camp](#):** Click the link for a summer camp activity.

***Greetings from the NCES Library and Mrs. Erickson:*** With summer fast approaching, this is a great time to start thinking about summer reading choices. There are lots of great student reading lists online. Here are a couple of sites that I particularly like: [K-12 Reading Lists](#) and [We are Teachers Reading Lists](#). Also, stay tuned for more information about the district's summer reading program. Happy Reading!

***You can always reach me at [aroy@nceschool.org](mailto:aroy@nceschool.org) or (860) 824-5149.***

Stay Safe and Well,  
Dr. Roy  
Principal
