

HOW TO USE THIS BOOK

With *180 Days of Language*, students receive practice with punctuation, identifying parts of speech, capitalization, and spelling. The daily practice will develop students' writing efforts and oral reading skills.

Easy to Use and Standards-Based

These activities reinforce grade-level skills across a variety of language concepts. The questions are provided as a full practice page, making them easy to prepare and implement as part of a classroom morning routine, at the beginning of each language arts lesson, or as homework.

Every practice page provides questions that are tied to a language standard. Students are given opportunities for regular practice in language skills, allowing them to build confidence through these quick standards-based activities.

Question	Language Skill	Common Core State Standard
1	capitalization	Language Standard 2.2a —Capitalize holidays, product names, and geographic names.
2–3	punctuation	Language Standard 2.2b —Use commas in greetings and closings of letters. Language Standard 2.2c —Use an apostrophe to form contractions and frequently occurring possessives.
4–5	parts of speech	Language Standard 2.1a — Use collective nouns. Language Standard 2.1b —Form and use frequently occurring irregular plural nouns. Language Standard 2.1c —Use reflexive pronouns. Language Standard 2.1d — Form and use the past tense of frequently occurring irregular verbs. Language Standard 2.1e — Use adjectives and adverbs, and choose between them depending on what is to be modified.
6	spelling	Language Standard 2.2d —Generalize learned spelling patterns when writing words.

Note: Because articles and possessive pronouns are also adjectives, they are included in the answer key as such. Depending on students knowledge of this, grade activity sheets accordingly.

NAME: _____ DATE: _____

DIRECTIONS Read and answer each question.**SCORE**

1. (Y) (N)
