Monitoring: <b>Review: Annually, in March</b>	Descriptor Term: <h2 style="text-align: center;">Attendance During Postsecondary Visits</h2>	Descriptor Code: <b>6.2001</b>	Issued Date: <b>09/09/18</b>
		Rescinds:	Issued:

1 While postsecondary school visits are not required, any high school student (classified as a junior and  
 2 senior) wishing to participate in a postsecondary school visit during the school year shall submit to the  
 3 principal/designee prior notice from his/her parent/guardian specifying the date of the school visit. The  
 4 date of the visit to the postsecondary school shall not conflict with mandated testing (either at the state  
 5 or local level). Special requests from parents of students classified as freshmen or sophomores may be  
 6 considered by the school principal on a case-by-case basis.

7 The parent(s)/guardian(s) of the student shall be responsible for facilitating any postsecondary school  
 8 visits and for ensuring the safety of the student during the visit.<sup>1</sup>

9 The principal/designee shall count a student (junior or senior) present for no more than three (3) days  
 10 for students participating in a postsecondary school visit. The student shall be counted present for the  
 11 day of the postsecondary school visit and shall not be counted present during any travel days.

12 In order to be counted present for the school day missed, the student shall submit to the  
 13 principal/designee a signed letter or form from a campus official verifying that the visit to the  
 14 postsecondary school occurred.

15 The student shall complete any school work missed due to the student participating in a postsecondary  
 16 school visit.
