

# SPACE

## 5<sup>TH</sup> GRADE PROGRAM

### Activities Include:

- Rocketry design and testing
- “Starlab” portable planetarium presentation discussing the solar system, constellations, and moon phases
- Technology presentation and use related to constellations and the moon

**Don't forget to  
visit our  
awesome  
gift shop!**

Time Frame:  
2 Hrs 15 mins

Program costs include indoor program presentation and admission to outdoor animal exhibits at a self-guided pace. Talking points and suggested activities for the self-guided tour are provided at no additional cost.

If you will be eating lunch on the grounds, we will also reserve a pavilion for picnic.

Upon booking, a schedule of activities will be provided.

Call 251-221-5000 for available dates and pricing information
