# Coordinated School Health Newsletter

## Child Abuse Prevention

The DeKalb County Community Advisory Board, along with the DeKalb Prevention Coalition, held the event, A Day at the Park, on April 21, 2018. The event was part of April's Child Abuse Prevention month. It was a free event for families and individuals designed to educate the community about child abuse prevention and to also provide families with information about becoming Foster Parents.

## DON'T RUN ON EMPTY THIS SUMMER. COME FUEL UP WITH US!

## **ALTERNATIVE SCHOOL RECEIVES ACTIVE SEATING**

Mr. Danny Bond, Alternative School Director, received some Ergo Seats and Revolve Stools for his students. Active seating engages the core muscles and encourages constant micro-movements and adjustments, which in turn increases focus and alertness.

## **SES ADAPTIVE SWINGS**

CSH purchased two new swings for SES's playground. The first is an adaptive swing seat with a harness. The second is an Expression swing with a harness, that allows an adult and child to interact face to face and eye to eye to enhance social, emotional, and cognitive well-being. Both swings allow play opportunities for children of all abilities. Way to go SES!

DMS'S SADD CLUB WILL BE HAVING  
THEIR **SAFE SUMMER KICKOFF**  
FOR ALL DMS STUDENTS.
