Class Parent Request Form

Welcome to the 2009-10 school year at WAJ!

Each year the WAJ/PTA encourages participation in class parenting.

Elementary teachers *K-6**** benefit tremendously with the invaluable help of the class parents and co-parents.***

Each teacher and class is unique, so it's important to communicate with the teacher. Assistance with organizing class trips, events, parties & projects will be greatly appreciated.

*****If you are interested in volunteering as class parent or co-parent, please enter your information and return with your child.*****

Name:

***please check
CP _____ CoP _____***
