Evaluations

It is the policy of the New Milford Board of Education to implement a job performance evaluation program for all employees in accordance with state law and the objectives of the Board to improve performance to the extent practical.

The Superintendent or designee shall evaluate each professional employee who holds a certificate or permit issued by the State Board of Education. Such evaluations shall be conducted in accordance with Connecticut General Statutes §10-151b and related regulations. The Superintendent shall be responsible for developing and implementing the district's teacher evaluation and support program.

The Superintendent shall report the status of such evaluations to the Board of Education on or before June first of each year.

Each employee shall have access to his or her performance evaluations.
