#### Superintendent's Comments:

Mark Henson, Superintendant, stated ETC has been a great partner to the school system. They have given scholarships, along with many other things. They came up with an idea of the IGNITE Grant for all the counties they serve. Mr. Henson and Cynthia Panter discussed the Fannin School system winning 4 out of 5 of the grants for a total of \$30,000.00. Mr. Henson said he was proud of the public support of the school system. Feed Fannin donated \$9,000.00 for STEM projects. Tim Mercier from Mercier orchards was digging in the dirt at West Fannin Elementary School helping to plant an orchard.

#### Board Members' Comments:

Bobby Bearden said the class he attended early was about transition from the superintendent Mark Henson to Dr. Michael Gwatney. Mr. Henson has done an excellent job for

the last ten years. Dr. Gwatney will do an excellent job when he begins his role as Superintendent as well. Mr. Bearden spoke about the expansion of the radio station and is very excited about the system. Mr. Bearden said he was blessed to be a part of the system, and it's one of the best in the state of Georgia.

Lewis DeWeese stated happy children do good work. STEM stirs up the initiative to make learning fun.

Terry Bramlett thanked everyone for being at the meeting. He said the Board completed a training session this afternoon on transition. He feels the group in the room is being honored for their dedication to the system. Mr. Bramlett is also very excited about the future with the changes and transitions taking place. He stated the one thing that would not change is the Board's commitment to the students, to the faculty, the administration, staff, the central office, and the taxpayers of Fannin County. They are dedicated to pursuing excellence and opportunities for the students. Mr. Bramlett addressed Susan Holloway, Finance Director, and her staff for their dedication and commitment to excellence as being remarkable. It inspires confidence from the Board, and it inspires confidence from the taxpayers and the stake holders in the system. Susan's remarkable accuracy is something to be celebrated. Mr. Bramlett congratulated Susan and her staff.

Chad Galloway stated he appreciated all the cards sent from the kids for Board Appreciation Week. He has started a folder to place his cards and letters in. Mr. Galloway enjoys reading them and sharing them with his own children. He is excited to be a part of the Board and impressed at each meeting to see what the school system is doing. He said he would probably be a different student than what he was when he attended school – Such a huge improvement and very exciting to see!

Steve Stanley thanked all the schools for sending cards for Board appreciation week. Mr. Stanley said the best part was receiving letters from the students. He has started keeping a scrapbook through the years that he can look back through. It really means a lot to him. Mr. Stanley wanted to steal a line from one school: "Thanks a Latte."

There being no further business to come before the meeting, a motion was made by Terry Bramlett, seconded by Steve Stanley, to adjourn subject to being called into special session by the Chair when deemed necessary. All members voted yes; motion carried.
