

In the unfortunate event that the metrics change and force us to close schools and go to an all distance learning model, the following procedures will be in effect.

EMERGENCY REMOTE LEARNING

This is defined as: Short Term Closure (1-5 days, 2 weeks, etc.) or Long-Term Closure. THIS INCLUDES DAYS CANCELED FOR INCLEMENT WEATHER.

All students engage in Emergency Remote Learning with materials and support from the school. Classroom learning and instructional activities are shared through contact with the teacher via Google Classroom. The Emergency Remote Learning model will be a blend of synchronous and asynchronous learning that follows the student's In-Person schedule. Online synchronous instruction will take place, for a portion of each class, based on your child's schedule.

NMHS will operate on an 8 period day with classes running 40 minutes. **All students** (Green Cohort, White Cohort, Temporary Remote Parallel Track) will follow this schedule and log on to Google Meet/Classroom for the duration of the period.

The following will be our schedule for Mondays, Tuesdays, Thursdays, and Fridays while we are out on Emergency Remote Learning. Both A Day and B Day classes will meet daily.

A Day Period 1	7:35 - 8:15
A Day Period 2	8:20 - 9:00
A Day Period 3	9:05 - 9:45
A Day Period 4	9:50 - 10:30
B Day Period 1	10:35 - 11:15
B Day Period 2	11:20 - 12:00
Lunch	12:00 - 12:25
B Day Period 3	12:30 - 1:10
B Day Period 4	1:15 - 1:55

Electives

The vast majority of our courses will include synchronous learning (live) environment for those students not physically present in the building. Students are required to log into Google Meet using the codes provided by their teachers. When reviewing your schedule, some courses will be unable to do so due to the nature of the course. These courses will be delivered in an asynchronous environment (no logging into Google Meet) but use Google Classroom as we did last spring. The following courses will be asynchronous and have no live teaching component for students not physically in the building. **Students do not log into Google Meet for these courses.** They are:

- Study Halls
- Advisory
- 3TR
- Lunch
- Drafting Courses
- Wood Shop classes
- *Physical Education
- *All music classes
- *All fine arts classes except for Art History.

Please note that on Wednesdays when all students are remote all classes, including those listed above, except for Study Halls, Advisory, 3TR, and Lunch will have a virtual touchpoint/synchronous class via Google Meet. Students are never required to log on for Advisory, 3TR, study hall, and lunch.
