

2019-2020 Benchmark Content Checklist

**2nd Grade Math
Mississippi**

Please complete this form to communicate to the CASE Assessments team which content to include on each of your district's benchmarks.

District or School: Church Hill Elementary

Person completing this form: Meon Carroll and Rachelle Gwathney

Date: 3/19/2019

NOTE: Checking a standard signifies that the standard is to be assessed in its entirety. Since benchmarks are cumulative (testing curriculum taught from the beginning of the course), any standard checked for a benchmark will be assessed on all subsequent benchmarks.

In order to create balanced assessments that fully reflect the course material, CASE recommends customers select between 6-12 new standards per benchmark.

The final benchmark will be comprehensive and assess all standards.

Any requested changes to the checklist after it has been submitted to CASE may be subject to additional charges and/or adjustment of original test delivery schedule.

Click in the boxes to select standards to be assessed on each benchmark.
