

# Honey & Hives Road Show

Do you want to educate others about the  
importance of honey bees?

Do you want to understand how beekeepers  
care for their hives?

- Engages and educates your audience about the wonders of honey bees
- Instruction is delivered by a Master Beekeeper
- Appropriate for most audiences and/or venues
- Correlated to the ALCOS objectives when appropriate
- Features observation hive when available
- Raises money, including donations, to help support the ESC's non-profit wildlife rehabilitation program
- First Show: \$150, Each Additional Show: \$75
