March 1, 2021

Dear Parents/Guardians and Students:

I hope this letter finds you healthy and safe.

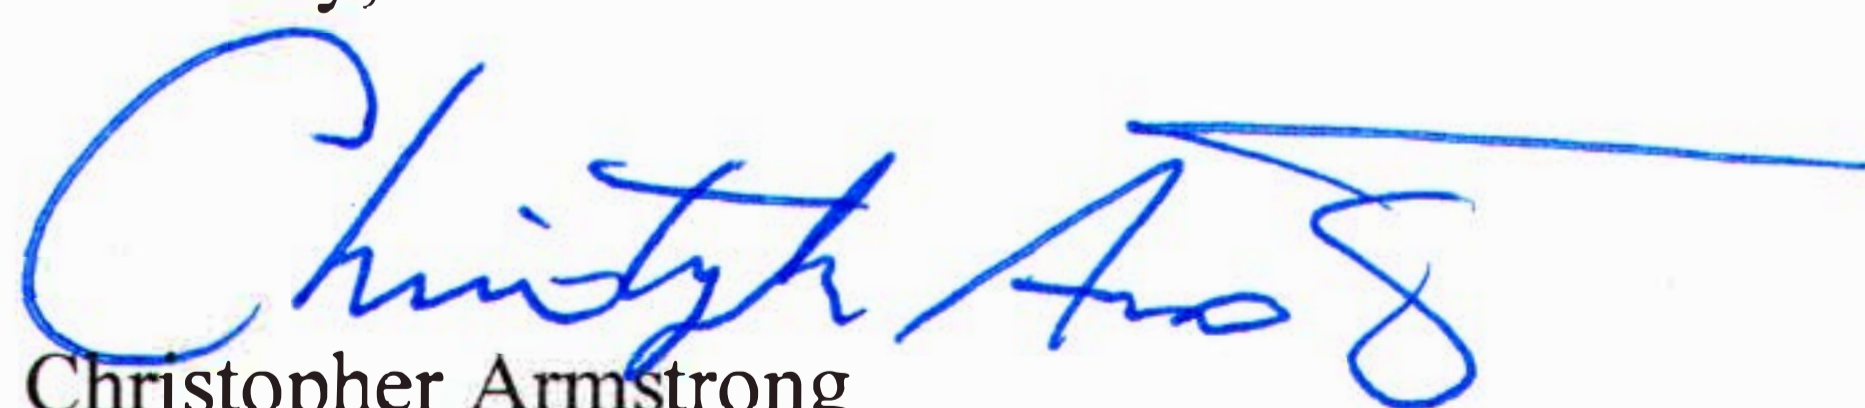

At the February 22, 2021, Board of Education Meeting, the decision was made to include a "Virtual Education Week" following spring break. The calendar modification was necessary to ensure the safety of our students and staff. Students will be required to login to their Google Classroom daily to complete synchronous and asynchronous activities during the virtual week. Teachers will provide students and families with more details as we get closer to the virtual education week. This virtual education week is contingent on the fact that the State of New Jersey's travel restrictions remain in place. If travel restrictions are lifted the week following spring break, there will be in-person learning.

Below are important dates:

April 1, 2021	Early Dismissal for Students
April 2, 2021 - April 11, 2021	Spring Break
April 12, 2021 - April 16, 2021	Virtual Education Week
April 19, 2021	Return to in-person learning

Although the COVID infection rate is dropping across the country, we encourage families to follow all CDC guidelines including mask-wearing and social distancing. As always, please continue to be safe and care for one another during this pandemic.

Sincerely,

Christopher Armstrong  
Superintendent  
North Wildwood School District
