

Creekside Art

(Primary & Secondary)

Due to the COVID-19 pandemic, art supplies will not be shared. For the safety of our artists, we are asking each student to assemble their own “art kit” from the list of supplies below:

- Crayola markers
- Crayola crayons
- Crayola colored pencils
- Prang Watercolor oval pan paints (8 colors)
- Paint brush set (avoid plastic bristles like the one that will come in your pan paint set)
- Scissors
- Liquid glue
- Glue sticks (multi pack)
- Pencil sharpener
- 2B pencils
- White eraser or pink erasers

Optional (for more intense color 😊)

- Black Sharpie marker (multi pack)
- Crayola oil pastels
- Colored sharpie markers
- Neon colors of markers, crayons, oil pastels or colored pencils

**All items should be placed in a large Ziplock bag.*

**Items listed can be found at Walmart, Target & Amazon.*

** Brands are recommended but not required.*

**You may want to consider buying multiple packs of supplies as students will use their art kits all year, and at times will need to be replenished.*
