Call to order: Love, secretary, called meeting to order

Reflection: Love, Secretary – “History merely repeats itself. It has all been done before. Nothing under the sun is truly new.” As teachers it can feel that we have been here, done that....over and over. Same reports, same test, same procedures, same, same, same... Yet, what keeps us doing the repeat year after year...the new students. Seeing the difference from day one till this point in the year. Seeing the growth. While we may do some of the same things we have different students and see different results. Let’s not get tired in doing the same thing because we are helping new students.
