[Pastor Denied Permit to Hold National Day of Prayer Event at the U.S. Capitol Building](#)

This year's National Day of Prayer event at the U.S. Capitol appears to have been canceled after one evangelical leader was denied a permit to hold the prayer gathering at the building. "After our permit was denied, for the first time in 70 years, there will be NO PUBLIC witness at the U.S. Capitol Building for the National Day Of Prayer!"

[Have you been back to church?](#)

A new Life Way Research poll finds Christians are slowly returning to in-person services after about a year of pandemic lockdowns.

[The pandemic has fueled anti-Semitism](#)

An annual report by Tel Aviv University researchers finds that corona virus lockdowns shifted more anti-Semitic hatred online, where conspiracy theories blaming Jews for the pandemic abounded.

"I believe that the single most significant decision I can make on a day-to-day basis is my choice of attitude. It is more important than my past, my education, my bankroll, my successes or failures, fame or pain, what other people think of me, or say about me, my circumstances, or my position." Dr. Charles Swindoll

[Connecticut is 6th state to end religious vaccine exemption](#)

Connecticut will no longer allow a religious exemption from childhood immunization requirements for schools, colleges and day care facilities, becoming the sixth state to end that policy.

Two girls from the same orphanage in China met by chance at Liberty University and are convinced that God could only have arranged the meeting.

[Sen. Tim Scott Rejects Big Government, Points to Big God Instead: 'God Has Supplied It'](#)

Scott pointed to God, giving Him praise for America's successes. "I am standing here because my mom has prayed me through some very tough times. I believe our nation has succeeded the same way. Because generations of Americans, in their own ways, have asked for grace — and God has supplied it," he said.

A LISTENER WRITES

- I don't know what I would do without Power 88!! I love the music that you play, the request hour, the music block--everything. You're definitely making a difference along the Gulf Coast and around the world.
- Power 88 is the best on the radio! The music is SOOOO good!! An example of this for me would be last night--(I just got my braces tightened the day before, so I felt pretty bad!) But last night when I listened I forgot about the "pain" because of your great music. First it was "You're Worthy of My Praise" from Tammy Trent, and then it was David Crowder Band. After that it was one of my favorites--Avalon with "Everything to Me". Then we took a "FLASHBACK" to 1994 with Out Of Eden's "Lovely Day". Not long after I found my self singing to Casting Crowns' "Lifesong". Then I had to go to bed, but I couldn't even feel my braces any more.
