December Issue 1

## Welcome Back A-Team

I hope each of you had a very restful winter break. We are extremely proud to serve the Ruleville Middle School students. We accept the challenges and we are pleased with the success the students have shown so far.

This semester, as in the past, we will all focus on academic achievement. We will assess where we are to determine what we need to do to improve. We must also focus on the needs of every child, enhance their strengths, and improve their weaknesses.

As we start this semester, we must be mindful of the implementation of SCCSD curriculum as it raises the expectations for student academic outcomes. We have been blessed with the opportunity to serve the children of Ruleville Middle School. It is indeed an honor to be allowed to improve the lives of students by creating challenging and engaging activities that improve their academic growth.

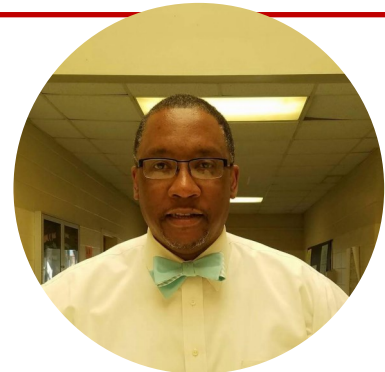

Together we will celebrate our successes and work diligently to overcome our obstacles. Let's make this school year great for the students we serve at Ruleville Middle School. We invite all to come by and meet with us to discuss our vision, mission, and expectations.

Go Bulldogs!
