

Parent Message:

Distance Learning Days
March 10 and March 31

Carroll County School System will have two Distance Learning Days for all students on Wednesday, March 10th and on Wednesday, March 31st. Teachers will post assignments in their Google Classroom by 9:00am on each Distance Learning Day and will work with students individually who do not have at-home Internet access. Extracurricular activities will continue as scheduled for both days. The purpose of these Distance Learning Days is to provide school employees with the opportunity to receive the COVID-19 vaccination through our partners at Tanner Health System. Thank you for your support in this proactive measure to help keep everyone safe and healthy! For more information about Distance Learning, click on the links below.
