

BCES Good News

April 11, 2019

From the Principal's Desk

BCES has been a Leader in Me school for almost a whole school year! One way we can measure how we're doing and what we need to work on is by taking the Measurable Results Analysis (MRA) survey at the end of each school year. The MRA is used to help us gauge where we are in the program and plan our next steps. There is a detailed letter in your student's folder about this today, and we need your help! We need as much parent feedback as we can get to help us plan! We'd like to offer an incentive per grade level for your time in completing the survey. It should take 10-15 minutes. We will send out the survey link through Dojo, and a copy of the parent questions also can be viewed on Dojo as well. Thank you in advance for helping us to make BCES the very best!

Mother-Son Black Light Dodgeball is scheduled for April 18, 5:30-7 p.m. in the BCES gym. Cost is \$5 per family in advance, or \$7 at the door. Join us for food, prizes, and games. Make sure to wear your best black light gear!

The Butterfly Kisses Father Daughter Dance will be April 25. Girls and their dads or male guests can put on their finest attire and enjoy a special evening together. If your girl is in need of a fancy party dress for this occasion, please contact Mrs. Woods at (270)665-8400 ext. 2202 or angie.woods@ballard.kyschools.us to see if she has a dress in the size you need.

Cheer tryouts for BCMS will be held April 16-19 from 3:30-5 p.m. **Girls must have an athletic physical turned in to the middle school office by April 15. If they do not, they cannot participate.** The link to the physical form is on the school web site.
