16. Comments:

- ZSE and staff are the best in the district.

- We would like to say Thank You to Mrs. Lunn for helping our son. And all the staff that is involved.
- And stop bullying because my child is being bullied and he told me that no teacher is there.
- ZSE is by far the best in the district. Staff and teaches do an excellent job.
- Make sure parents are informed on ceremonies. Too many kids are having bathroom accidents. Need more or accurate planned bathroom breaks. I think parents should be allowed more than 1 time a year to eat lunch.
- Overall am very satisfied with the education my boys are receiving.
- ZSE is an amazing school and does amazing with our children as I also went to this school as a child and loved my teachers and the school itself.
- Building a wall around the school for safety.
- Mrs. Webb is an amazing teacher and she will be missed by us next year as we move on.

- Everything good.
- This year communication has been very easy with my child's teacher, I always knew what was going on and what was coming up.
- We get out of work late and can't attend conferences.
- I have but good things to say about ZSE . The staff and teachers are by far the best in the county.
- I've been blessed to have Mrs. Lor as my son's teacher, even though it was her first year teaching, she made a big change in my son's life, she has a lot of energy, 100% patient, and professional. My son used to hate math, but she made Math fun to learn instead of seeing it as a subject. I highly recommend Mrs. Lor she is one of the best teachers ZSE can have!
- Mrs. Thornton is a wonderful teacher. She does a great job keeping me informed of my child's progress. She even communicated with me during the holidays and after Hurricane Irma. She uses Bloomz to communicate also.
- If a parent initiates communication with teachers, then the teacher will often do a great job keeping the parent informed of the child's progress. I love when teachers use class dojo or similar programs to keep parents informed. (Mrs. Lor is wonderful)
- All of you are "AWSOME" . Thank you all so much.
