Parents of Magnet School Students who Attend:
Clark School of Math, Science and Technology
Denton School of Technology
Dunbar School of Creative and Performing Arts
Phillips Preparatory School

Dear Parent/Guardian:

Magnet parents needing transportation for their students will select a pick-up site at the middle school campus nearest to their homes. There also have been a number of rural stops added. This site will be the designated site for both mornings and afternoons- **NO EXCEPTIONS**. If your child does not attend Clark, they will not be allowed on campus, as this is not a drop-off/pick-up site. If your child misses his/her bus, you will need to take them to their designated school. Route schedules are available at www.mcpss.com.

Middle schools are listed below:

Alba	Chastang	Lott	Pillans
Burns	Eanes @ Williamson	Mobile County Training	Scarborough
Calloway-Smith	Grand Bay	North Mobile	Semmes
Causey	Hankins (Parking lot on Carol Plantation Rd)		Washington

It is the parent/ guardian’s responsibility to get the student to the selected school in the mornings in time to board the bus that will transport him/her to their magnet school. Students should be at their designated stop at least five minutes before pick-up time. Due to the number of students boarding the bus, students need to be in line waiting for the bus (NOT IN CARS). It is also the parent/ guardian’s responsibility to be at the selected school in the afternoon to pick the student up when the bus arrives. No students are to be left unattended at any school site. Please use caution at your designated site when students are loading/unloading. The transfer hub for magnet students attending Denton, Dunbar and Phillips is on the campus of Clark-Shaw (formerly Shaw High School).

If you have any questions, please contact myself at 221-6617 or Sonya McLeod, Assistant Director of Transportation, at 221-5260.

Sincerely,

Mary Ann Gill
Route Specialist
