

PIKE COUNTY SCHOOLS

"A Dream doesn't become reality through magic; it takes SWEAT, DETERMINATION, and HARD WORK."

-General Collin Powell

The Pike County Academy Program does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.

Please contact **Dr. Mark Head** at **(334) 566-1850** for inquiries regarding the non-discrimination policies.

#WhyNotCTE

Career Technical Education (CTE)

Pike County Schools' Career Technical Education (CTE) program partner with Enterprise State Community College (ESCC) and Lauren B. Wallace (LBW). This partnership offers many programs designed to better prepare students for life after high school.

How to be a part of CTE

Career and Technical Education are offered through traditional high school CTE classes and Dual Enrollment classes through ESCC.

The school counselor must approve all CTE classes for high school students. Discipline and attendance are also considered. Cooperative Education students must meet the minimum guidelines and complete an application process.

Dual Enrollment students through ESCC must complete an application and receive final approval from ESCC/LBW and their school counselor.

Student must have:

Minimum 2.0 GPA, hold a valid Alabama (state issued) ID, and be in good standing with discipline and attendance.

“Understanding the realities of the workplace and learning how to apply skills can only improve a student’s chance of success after high school”

Traditional CTE Programs:

- Agri-Construction
- Agriscience
- Army JROTC
- Business & Finance
- Computer Science
- Database Design
- Education & Training
- Fire Management Services
