1. Began working on annual Communications and Development Calendar, establishing dates for embedded board training, newsletters, friendraising breakfasts, and other fundraising activities. Specific dates for some of these activities have to be selected after consulting with Liesl and Jessari. Melissa will maintain and distribute this calendar to the board.
2. Melissa will touch base again with Trisha at MCM to reconnect regarding approaches to various small family foundations and other possible collaborative grant-seeking approaches with MCM.

*Respectfully submitted by Melissa Santrach, Chair, Development and Communications Committee.*
