- **Digital Books:** All students, both traditional and virtual have access to digital books through the myON digital platform found on our Renaissance Place account. Teachers have username and password information. There's a link to our specific account on our school website under Student Links. Use this link to create a shortcut on other devices by going to that link or typing in this url: <https://global-zone05.renaissance-go.com/welcomeportal/311660>. A search for Renaissance Place or myON will not take you to the correct site. The first time a student goes to myON, there will be an interest check followed by a short assessment to determine levels for books. Then, hundreds of books are at your child's fingertips.
- Our **STEAM Christmas Party** on December 16 was a great success!! Thanks so much for participating in this virtual activity.
