Re: Sport Physicals for 2021-2022 School Year

From: Vickie Singletary, RN, CCHS School Nurse

Once again, it is time to do sport's physicals for the upcoming school year. It is required by the MS High School Athletic Association that a physician complete a yearly physical exam. This year they will be done on May 11-12, in the CCMS gym. Nurse Practitioners from Choctaw Health Center will complete the exams. They will also be given any immunizations due at that time. Please complete the top portion of the immunization form and return.

If your child plans to try out for any sport they must have a physical. If it is not done on this day, it will be your responsibility to have this done at Choctaw Health Center, a field clinic, or by another physician prior to their participation in sports for the 2021-2022 school year.

If you wish your child to have their physical done on this day, please sign and return this form and the immunization form to school as soon as possible. If you have any questions, please call me at 601-663-7777, ext 2860.

Thank you.

I give my permission for my child to be seen at Choctaw Central High School in May for a sport's physical.
