Ends

Oct. 26-30th
Red Ribbon Week
Dress up info coming soon

REMINDERS

Remember to send a refillable water bottle to school each day.

Also, please return binders to school each day and check them at night. ☺

JUST A NOTE

*You may notice that I've begun taking away Dojo points. This is not something I like doing, but we have a few things behavior wise to work on as a class. Students **MUST** have 10 points to participate in Fun Friday activities! Thanks for your support!*

WHAT WE'RE LEARNING

Reading: we will NOT be testing on our story of the week or Spelling Words. We will use this week to review and for DIBELS assessments.

Math: Finishing our addition and subtraction review. Math Test *Wednesday. Math Homework send home Monday to help study for test.*

Science and Social Studies: studying different landforms and habitats

***Dibels is just an assessment to help me see your child's reading ability and areas for growth. It's not for a grade, but it is important. Good sleep and breakfast are super helpful!*
