## **Notification of Remote Instruction beginning Tuesday, 12/1/2020**

*ES Principal*

Dear May ISD Parent/Guardian,

### **School Board Members**

Brown County is now experiencing in influx on COVID-19 cases and it seems to be rising. It appears that we will be down several employees that are being quarantined due to being in close contact. I have also been notified of several students being quarantined because of close contact on both campuses. I expect higher contact tracing increases due to a potential large group quarantine if we continue to meet at school. We will begin remote instruction for 14 days starting tomorrow, 12/1/2020 through 12/14/2020. We will be monitoring this situation daily. I apologize for any inconvenience this creates.
