

# **CES Chromebook Guide 2020-2021**

The purpose of this guide is to provide parents and students with a thorough explanation of how Coosada Elementary School will manage Chromebooks throughout the school year. The success of our school's 1:1 initiative will be strongly tied to the responsibility, ownership, and pride that our students have when they receive their Chromebook. While the district believes that technology use is critical to student success and needs to be part of the daily learning process, the ability to have a device at all times is considered a privilege that our students should not take lightly.

<b>1.</b>	<b>CHROMEBOOK DISTRIBUTION</b>
-----------	--------------------------------

Chromebooks will be assigned within the first two weeks of each school year. Parents/Guardians and students **MUST** sign and return the **Student Property Pass** before the Chromebook can be issued to their child. Students are allowed to take Chromebooks home and bring them back to school each day. All students are expected to use a school-issued Chromebook during the school day.

<b>2.</b>	<b>TAKING CARE OF YOUR CHROMEBOOK</b>
-----------	---------------------------------------

Students are responsible for the general care of the Chromebook they have been issued by the school. Chromebooks that are broken, or fail to work properly, must be taken to their teacher or Mrs. Brown (Technology Teacher/Coordinator) as soon as possible so that they can be taken care of properly.
