District Google Classroom

Check your December email for your content /grade level Google Classroom invite.

NEW

Tech News- Rachel Flowers

Slip-In-Slide (Google Slides Addon)

If you don't want to give your students your entire slide presentation at once, but ALSO don't want to fill up your student's google classroom feed with tons of different slides, Slip-In Slide is going to be a huge help! **Assign students a single slide** from a large presentation, but in **following days you can add additional slides into the same assignment** using the Slip-In Slide add-on. No, you will not have to repost assignments or edit anything! It's GENIUS!

Install it here [Slip-in-Slide](#)

Instructional Resources Website

New CKLA Videos highlighting Cumberland County teachers have been posted on the Coaching Website

bit.ly/cumberlandcountyschools

***You must be signed in with your ccschools email to access the site.**

**Need support or new ideas?
Resources? Classroom Management?**

Download/complete a coaching request and turn it into your principal.
