

PHES Kinder Fun at Home!

April 1–7, 2020

Theme—Weather

Please remember that 10–20 minutes per day per subject plus reading everyday is ample to work on and maintain skills, and everything listed is optional. Review the videos from last week to work on counting, addition, subtraction, and sight words.

Language Arts

- ◇ Read 2 assigned books in Raz kids. Answer comprehension questions at the end of each book. Write one to two sentences about each book.
- ◇ Log-in to Epic and listen to or read the weather books that your teacher has assigned. Check out the cool weather videos/ songs too!
- ◇ Hang sight words around the house on sticky notes. Shoot them with a nerf gun while reading, or go on a word hunt and find and write the words.
- ◇ Write about and draw a picture about the weather during the day. You can also find a picture online or in a magazine to write about.
- ◇ Use links to watch 2 new sight word videos.
- ◇ <https://www.youtube.com/watch?v=3zJJ1S6-rMc>
- ◇ <https://www.youtube.com/watch?v=boSwtN7RWtU>
- ◇ Write uppercase and lowercase letters.

Math

- ◇ Watch Brain Pop Jr. Video Comparing Numbers - <https://www.youtube.com/watch?v=ca6SV-OGgAc&feature=youtu.be>
- ◇ Use greater than and less than skills to count how many pillows are on your bed and write the number. Count how many pillows are on your couch and write the number. Circle the number that is greater.
- ◇ Use greater than and less than skills to count and write how many windows in the house and how many doors in the house. Draw a square around the one that is the least.
- ◇ Use link to complete interactive practice on comparing numbers. <https://login.i-ready.com/lessonPreview.jsf?componentId=DI.MATH.NO.K.8000.10>
- ◇ Use link to complete interactive practice on adding numbers. <https://login.i-ready.com/lessonPreview.jsf?componentId=DI.MATH.AL.K.4200.10>
- ◇ Use link to complete interactive practice on subtracting numbers. <https://login.i-ready.com/lessonPreview.jsf?componentId=DI.MATH.AL.K.4300.10>
- ◇ Write numbers to 30.
