## **Overtime – Non-Supervisory Personnel**

### **OVERTIME – NON-SUPERVISORY PERSONNEL**

**6.87**

It is the intent of the Alexander City Board of Education for its employees to perform the necessary tasks of their jobs during the regular designated work week. However, there may be certain circumstances, in the best interest of students and the school system, when emergencies would necessitate that certain employees work beyond their designated work week. However, the option to receive pay rather than compensatory time must be approved by the immediate supervisor and the Superintendent.

Overtime should always be requested by the immediate supervisor and approved by the Superintendent on the approved form for overtime. Verbal approval should be given by the immediate supervisor at the time the work is done; however, an immediate follow-up written request must be forwarded to the Superintendent for approval within one working day after the work has been performed. Overtime pay may be granted only to non-certified employees whose job titles or responsibilities indicate that the position is non-supervisory.

Payment for overtime shall be made to the appropriate Alexander City School System employee at the next regular pay period if submitted prior to the deadline for the pay period.
