

January 30, 2020

Members of the School Board,

I have been with the Verndale district since 1986. Over these years, I have been privileged to work alongside amazing staff and administration. At the end of the current school year (2019-2020) I will qualify for the Rule of 90.

In regards to the Early Retirement Incentive, I am asking for health care benefit allowance in the amount of \$8475 annually until the 2023-24 school year.

Thank you for your consideration,
Lisa Paulson
