Parent Notes

Parents, thanks for a great turnout at Open House! If you were unable to join us last week please don't hesitate to call this week to speak with teachers.

Congratulations parents and students! Our attendance is 95% for the month of August! Keep up the great work!

Does your student need help with their homework? The Stars and Heroes after school program starts this week. Parents must sign a permission slip for students to stay but they will receive an hour of tutoring, a free meal and get some exercise too! Call Ms. Halk for more information.

Technology tip:

Cliffsnotes.com is a free online website. On this site students or parents can see book summaries of current novels they may be reading. In addition, the website provides free study help in Algebra, Science, Foreign Language as well as ACT prep work. Check it out!

Just as a reminder the uniform code has changed. Students are only allowed to wear khaki pants and red or white collared shirts. The high school office has uniform shirts with logos on sale for \$10.00. Students will have dress down days this year. Black pants will be allowed on those days only.
