Tiger Talk

VOLUME 1, ISSUE 1

SEPTEMBER 2018

Greetings Tiger Family,

I hope you had a great summer, and are well rested. As you all know, we have a long road ahead of us to move Ruleville Central High School to level of success desired by all. Our tenacious tiger educators and scholars have been working diligently to reach our goal. We look forward to working with all stakeholders in the community to help ensure Ruleville Central High School models a spirit of excellence.

We recognize the challenges that we face, as we seek to become a premiere high school. But with your help, I believe we can rise to the occasion, and prove to ourselves and everyone watching that the sky is not the limit, just our first stop! "Together We Will!"

Best Regards,

Mr. Errick M. Lakes, Principal

Welcome Back!!!

Welcome Back!!!

Greetings Tiger Family,

I am so excited about the amazing things happening with our Tiger Scholars this year. We have a fully functional National Beta Club, an emerging Student Government Association and great new partnerships with Community Partners in and around the city. We are excited about the many possibilities that are being presented to encourage and engage our scholars and families. We have a desire to create multiple opportunities for experience and exposure to increase cultural awareness, civic responsibility and personal drive for excellence. We can do this with your help. I will be reaching out with opportunities to partner with us to make this year the best one yet! Remember together we can and will WIN!!
