Dear Parents,

As you know, we are supposed to start our official online school starting Monday, April 13, 2020. In the meantime, please help me encourage our students to get online and complete 30 minutes of iReady Reading and 30 minutes of iReady Math lessons EVERYDAY!

This is a step-by-step guide on how to get to their iReady Lessons:

If you have a tablet or iPad:

1. Go to the App Store or Google Play store and search for an app called Clever. It looks like this: Then search for the i-Ready student app and download it. It looks like this:

2. When you open the app, click "Log in with username/password."
    a. The students must log on using their school email address and password. This is located inside their AR folder. Their AR folder was included in the items you picked up from the school last week. If you still need your child's email address or password, please message me and I'll get it to you ASAP.

3. It will open an internet browser on the device and will ask you to type in your school's name. Of course type in and then click Castlen Elementary.

4. On the next screen, click the option that says "Log in with Active Directory".
    a. This is where you will log in with the student's email and password.

5. Once you have gotten logged in, scroll down and click on iReady. This should open the already installed iReady app and the students can begin working!

If you have a laptop or desktop computer:

1. You must have Google Chrome downloaded on your computer. Firefoz and Internet Explorer will not work properly with the iReady program.
    a. To download Google Chrome go to this address and follow the on screen instructions:
    https://www.google.com/chrome/?brand=CHBD&gclid=CjwKCAjwg6b0BRBMEiwANd1_SDJLsmJnZL4Ym1iaY3azpmzokdNEXh8IWBQM219t1oHv_b2FQUlRZhoCQ_EQAvD_BwE&gclsrc=aw.ds

2. Once you have downloaded Google Chrome go to this web address:
    https://clever.com/login

3. It will ask you to type in the name of your school. Type in and then click Castlen Elementary.

4. Next click the option that says "Log in with Active Directory".
5. The students must log on using their school email address and password. This is located inside their AR folder. Their AR folder was included in the items you picked up from the school last week. If you still need your child's email address or password, please message me and I'll get it to you ASAP.
6. Once they have logged in, you can scroll down and click on the iReady logo and then get to work!

If you ever have any questions, please feel free to contact me via Remind or send me an email: aparmer@mcpss.com
