

Z O O M Guidelines

1. Please dress appropriately (even though we are not at school, you will be seeing your teacher and classmates).
2. Find a quiet place without distractions (like TV, siblings, other outside noises)
3. Stay on mute unless called on by the teacher. (If you want to share, use the CLAP reaction.)
4. Use the CHAT option to type your question (make sure you are sending it to your teacher).
5. Be aware of your camera (whatever your video shows, we all can see... and no one wants to look up anyone's nose 😊)
