Although we live
for today,
we still hope
for our tomorrows,
and we remember
our yesterdays.
Through the years
we have stored many
memories in our minds
and these memories

Yesterday,

your laughter

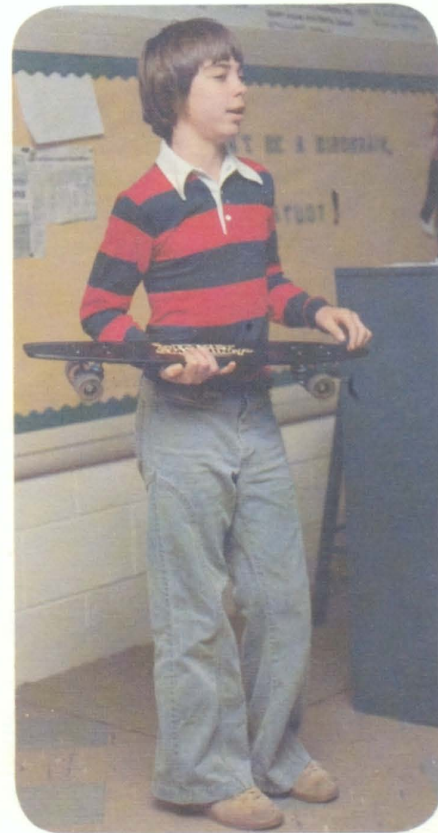

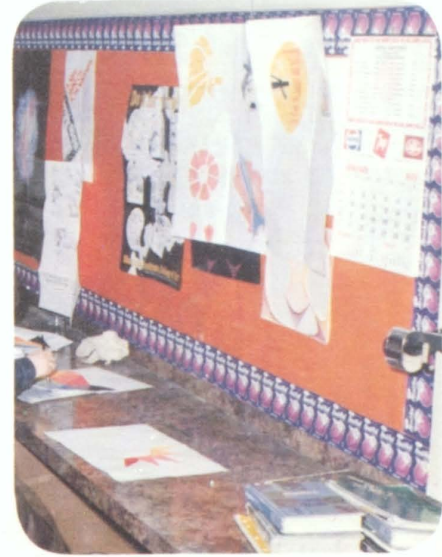

is just a memory

echoing through my mind.

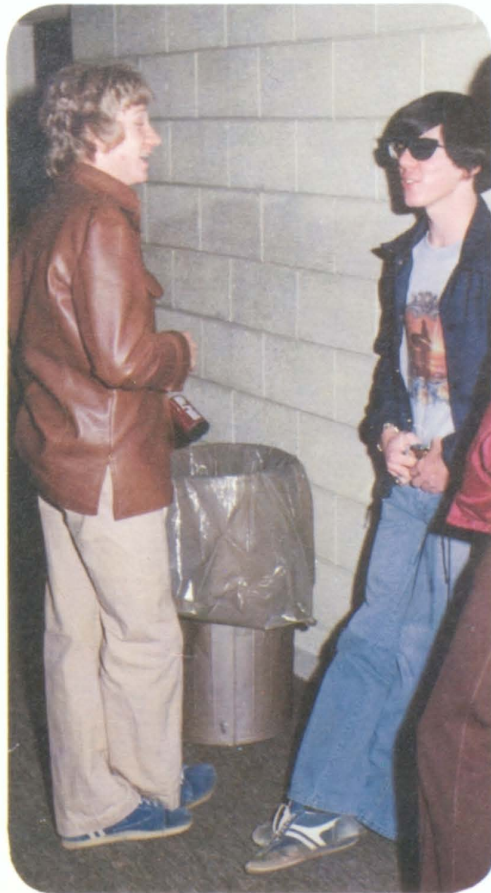

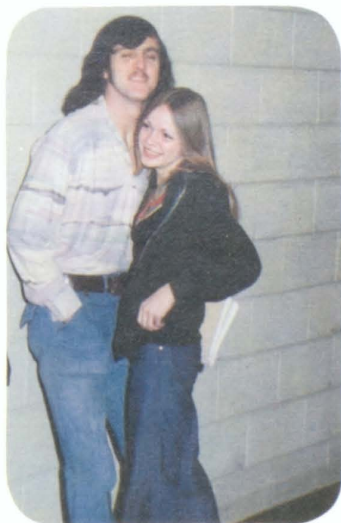

Take me back,

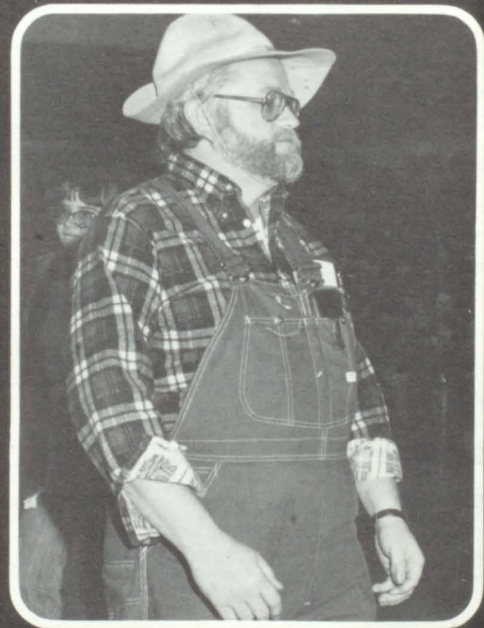

to a place I once loved,

A moment I once lived,

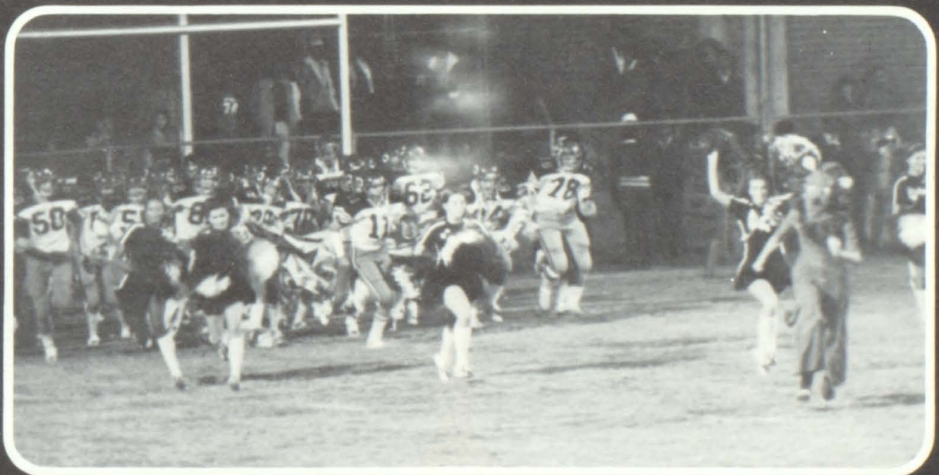

a friend I once knew.

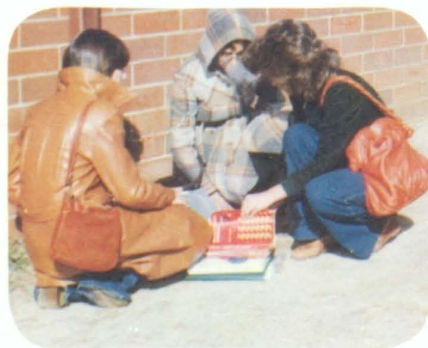

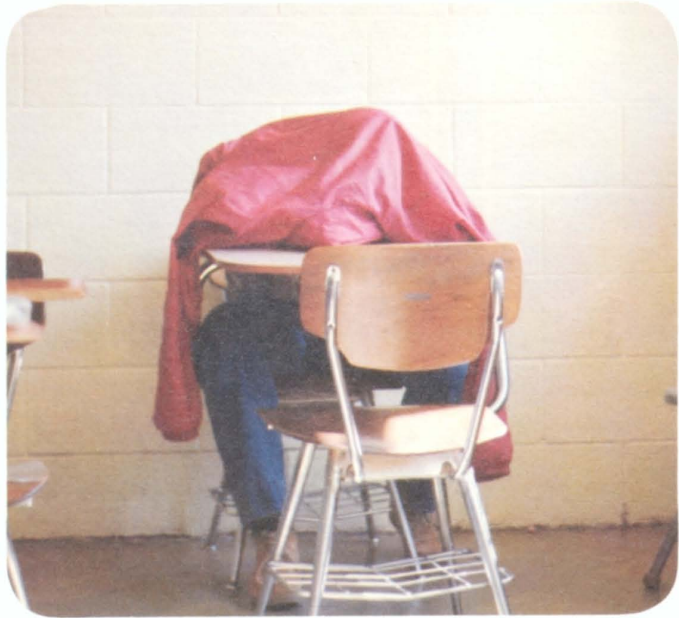

Surround my soul

with happiness once again,

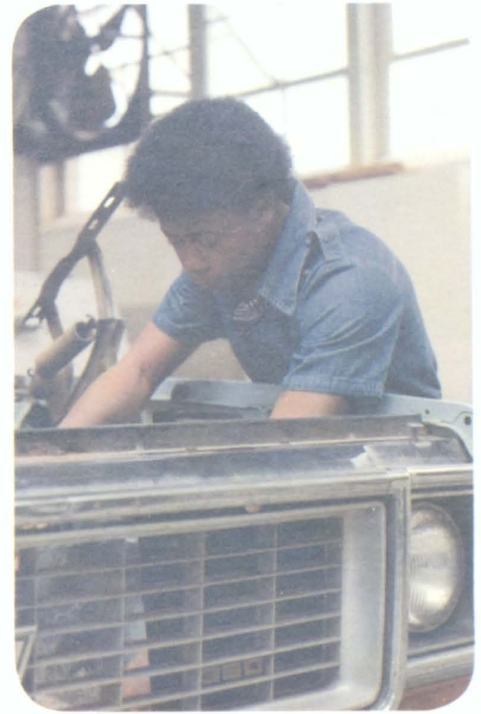

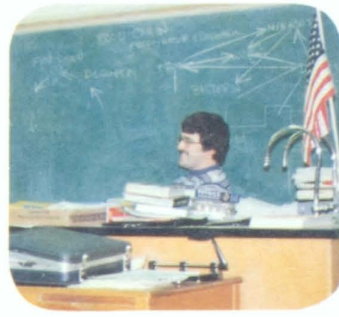

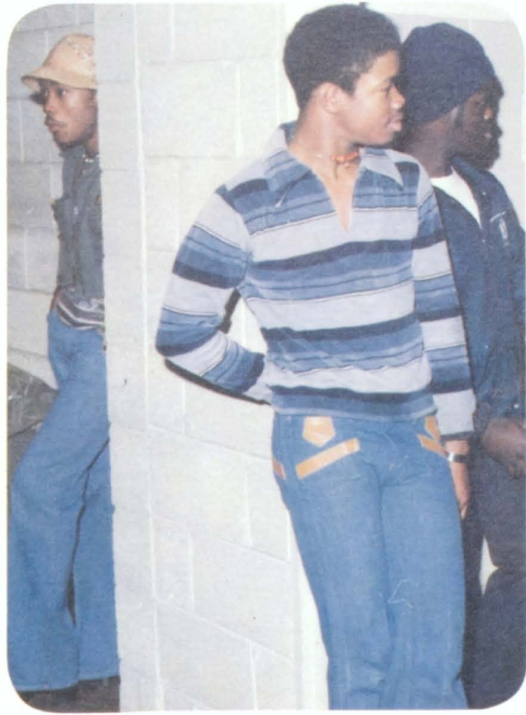

and the many memories

will keep lingering on . . .

A sunfilled morning,

a long afternoon,

a crowded first break,

a feeling of pride.

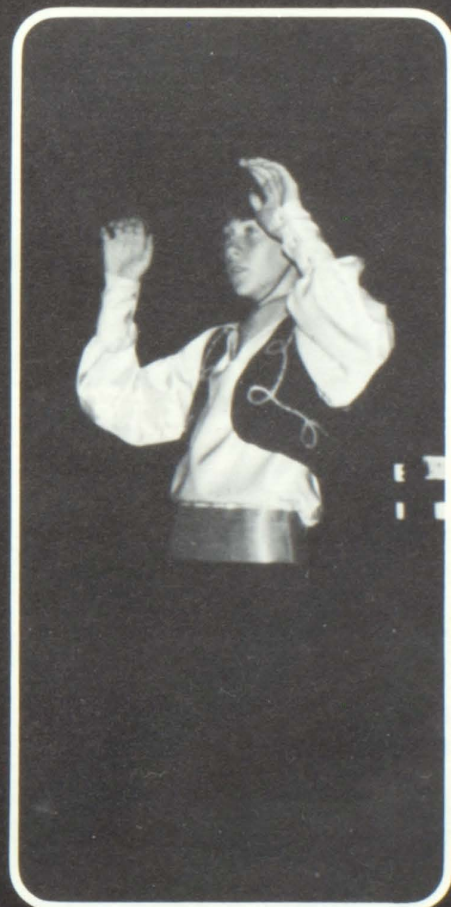

A happiness shared,

a talk with a friend,

a teardrop shed,

a victory won.

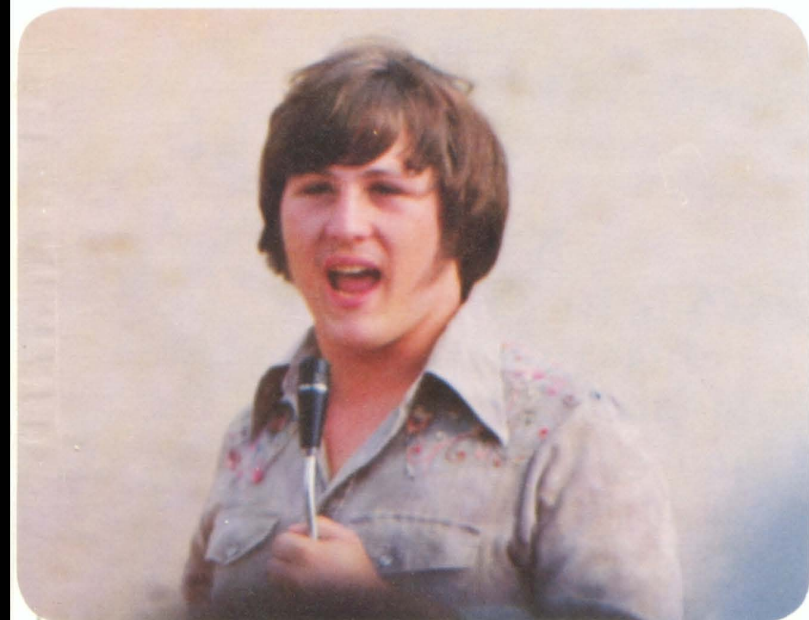

A yesterday forgotten,

now recalled,

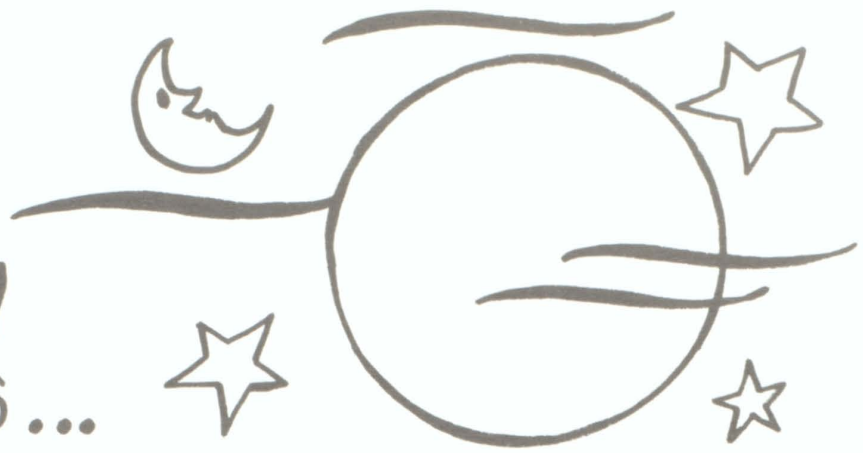

a moment captured,

a memory created.

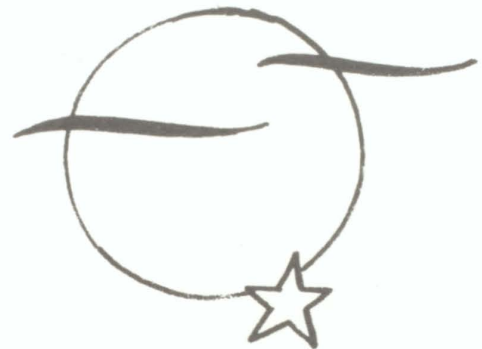

The world
turns,
and the world
changes...

Sometimes

Sometimes the best way to hold on to something
is to let it go.

Let it be free to breathe
to pick its own way through life
and if it wants to come back to you,
it will ~ all in good time
for to grasp something by the throat
and hang on with all your might
is like killing it with your own hands,
and who wants to live
with something dead?

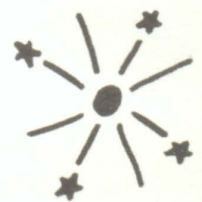

Sometimes the best way to hold on to something
is to let it go.

Kim Crawford

* Leave us alone,
we can make it on our own.
Let Time take a step in our lives.
It may not be great,
but that's a risk we'll have to take.

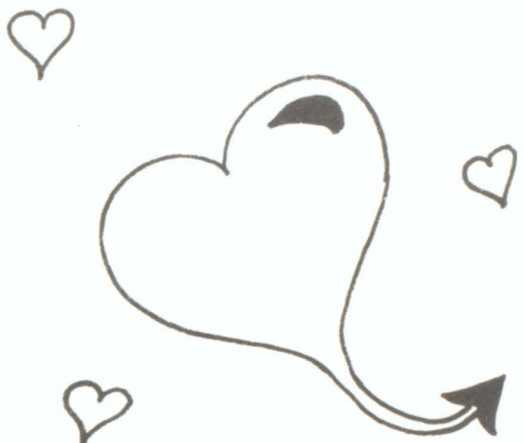

Smile, just to say that you care.
If we need you again,
a helping hand you will lend
but leave us alone,
Time can take care of us now.

Two question marks,
 Turned back to back,
 Equal nothing. ??
 Two question marks,
 Facing each other,
 Equal something. ?
 by Beverly Carter

What is the meaning
 for our being?
 Are we to go somewhere
 together in life?
 Or shall we split in the end,
 in frustration, and strife,
 at having once more lost
 again?

They say it's what's inside
 that really counts
 And I put all my love
 in every ounce
 of movement, of caring
 I try to show you.

I Love You

I love you
 not because you love me, but
 for the good times I've had
 when I was with you
 for the tears you've caused me
 to cry
 for giving me the chance to know
 what love really means
 for being there when I needed
 you
 for making me feel wanted
 for understanding me the way
 you do
 but most of all I love you
 cause you're you.

What we have done was
 not in sin,
 I don't think I could
 ever love again.
 For you are the one who's
 made me see what a
 wonderful place our
 private world can be.

by Sonja Tarpley

Time *

Time slips on by as i try to grasp it,
but all i catch is a handful of memories
to hold in my pocket all safe and secure
in the back of my mind.

and every once in a while, one slips out
and i smile or cry at the memory of it.

 Vennie Ayres

Once I would have done anything
to keep you out of my life.
But now I would give anything
to have you back in it.

Something inside of me is crying.
I'm lost.
I'm looking in all the wrong places
to find your love.
Where did you leave it?
On the shelf with all the rest of
our memories?
They're getting dusty.
Something inside of me is crying.
I'm alone,
sitting on a dust-covered shelf
of memories.

Sky blue.

Sky clear.

Sky all full of clouds.

Gone now full of sun, here they come again.

Give me one of
your smiles
to keep in my back
pocket;
so when i'm sad
i can bring it out
to make me happy
once
again.

On November 5, 1976, the Fighting Lions wrote a new chapter in C.H.S. history - we defeated the Carrollton Trojans. It was an up and down battle until midway through the 4th quarter. After a Trojan touchdown, the Lions turned in a spectacular scoring drive which would end the Trojan dynasty. The Lion defense then held the Trojans deep in their own territory for four plays, thus sealing the Lion victory: Central 25 - Carrollton 22.

Track

Central Track team placed fifth in Sub-region. Sylvester Parks and Tracey Clark went on to compete in the Region track meet. Tracey Clark continued on to the State competition in his field event, the high jump.

Tennis

Central's Tennis team competed in the sub-region tournament; Connie Crews advanced to the girls singles semi-finals before being eliminated. Connie was later named MVP for the 1977 tennis team.

We have
attended school
for twelve years now.
We have gained
wisdom
and have grown
in our day to day
experiences.
Our high school days
are over . . .
our futures
are awaited with
high hopes.
We, the
Seniors of 1977,
are filled with

Anticipation

Although we sometimes feel "all grown up," we often feel like just being the "kids" we really are.

There are years of living and learning ahead of us. We are awaiting those years with eagerness.

For now, we are the

Painting by Susan Dermo

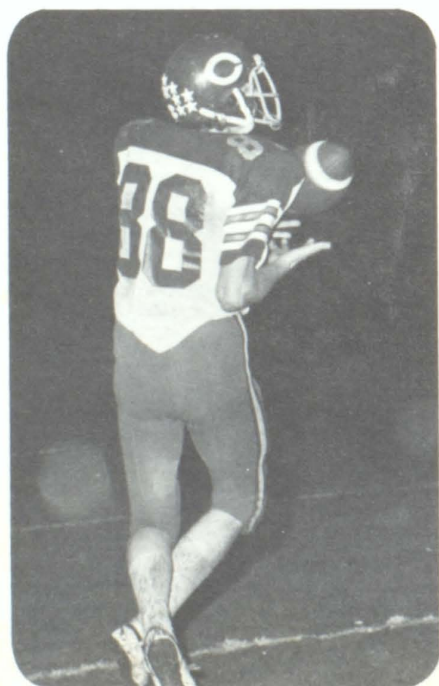

There are thoughts
that always seem to
come "afterwards."
Thoughts which
reflect upon
and expand
our minds
and make us wonder
and marvel
at the
miracles of life.
These thoughts
are simply our

Afterthoughts

Yesterday,

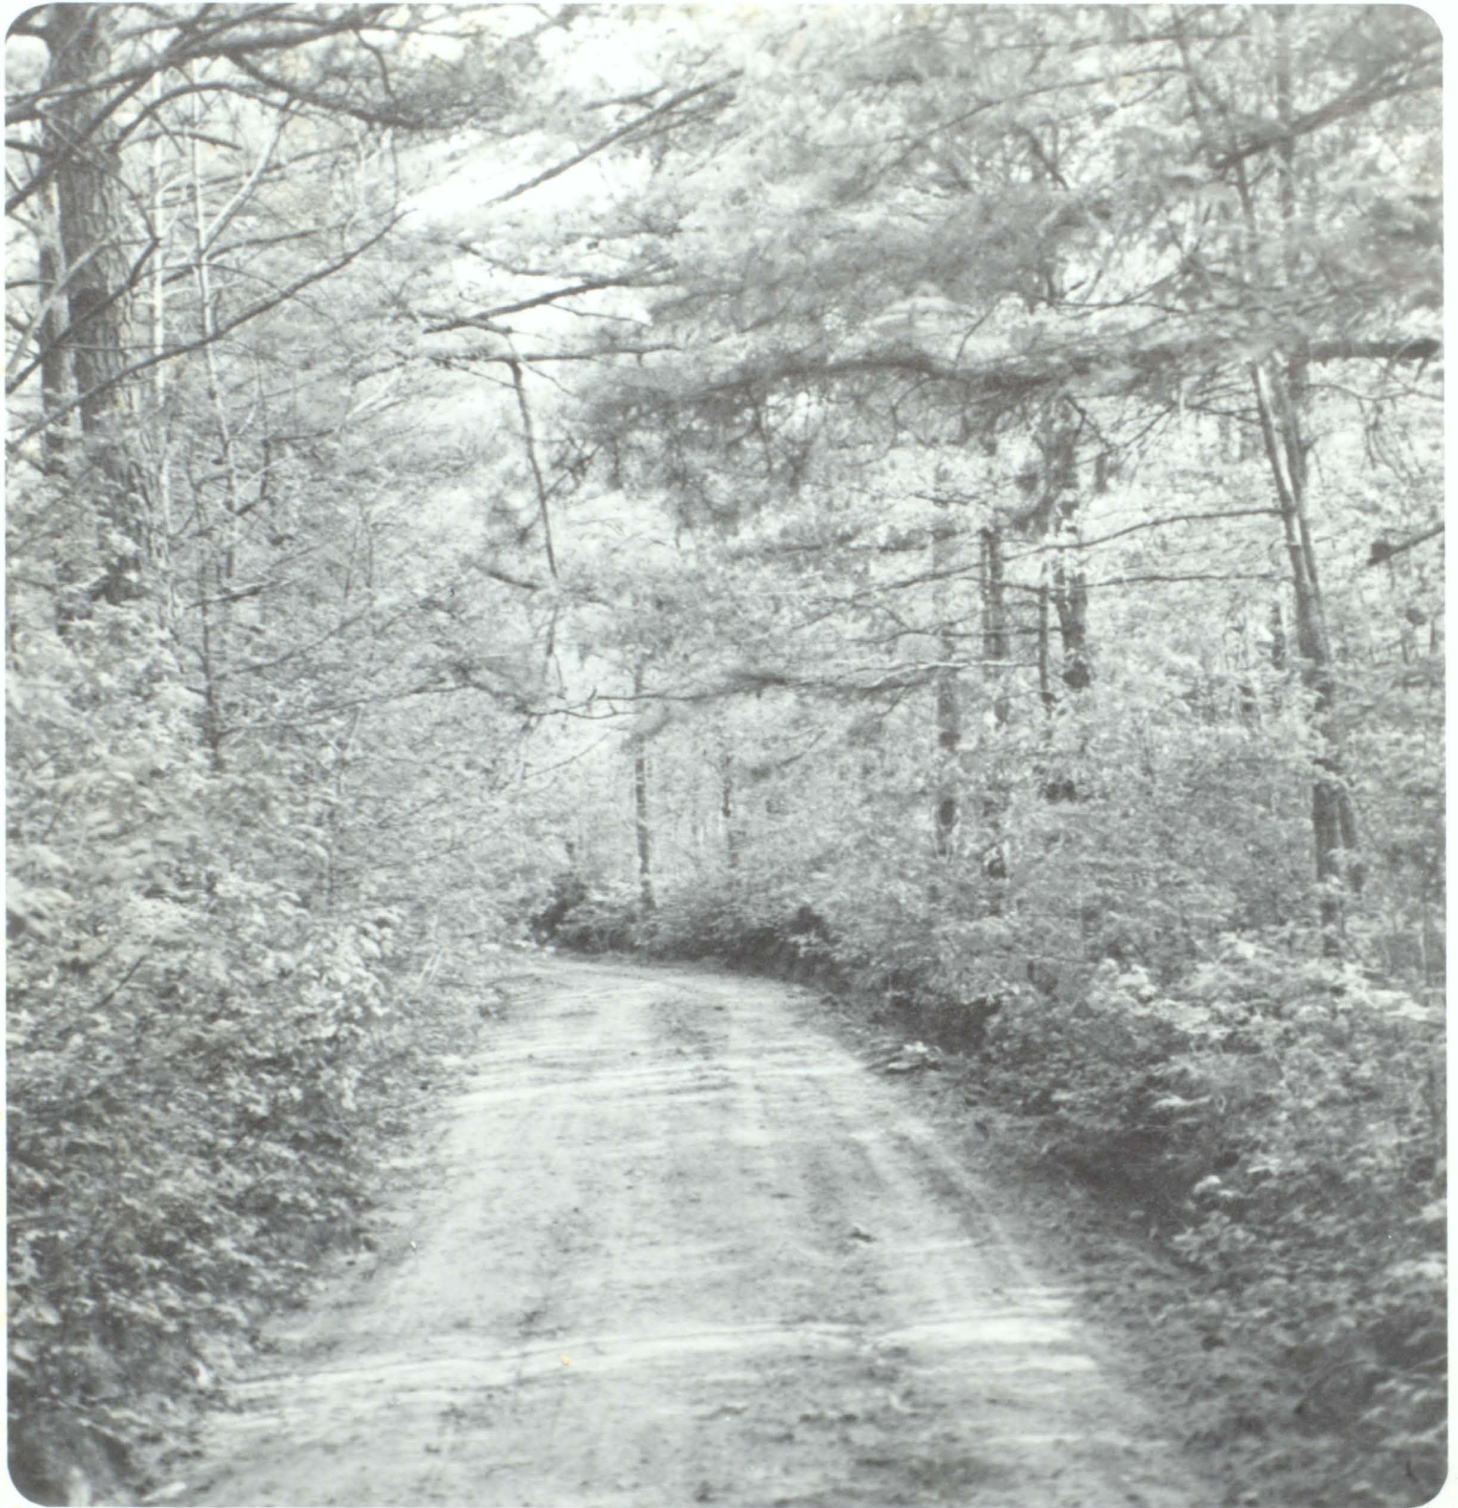

we laid the foundation.

Today,

we continue to build.

And tomorrow?

Tomorrow still remains . . .
