Masks Donated to School District

HOUSTON COUNTY, GA – Model II Beauty Supply in Warner Robins donated 12,930 masks to the Houston County School District. Store owner Young Son offered the masks free of charge for students and employees.

Son is pictured with the District's Director of Purchasing, Jessica Deese with the boxes of masks. He donated the following types and quantities:

- ★ KN95 Masks ~ 800
- ★ 3-ply Disposable Masks ~ 12,000
- ★ Fashion Masks ~ 40
- ★ Cloth Print Masks ~ 90.

The masks were evaluated by Dana Rollins, Coordinator for Health Related Services, to ensure the face coverings met the recommendations of the Centers for Disease Control and Prevention. The KN95, fashion, and cloth masks were given to the Student Services Department for use in school medical clinics and other needs. The 3-ply disposable masks were distributed to the district's five high schools. Students and teachers at the Transition Academy benefitted from the gift, as seen in the collage above.
