

Building & Grounds Meeting  
May 10, 2019 9:00 am

The Brimfield Board of Education Building and Grounds conducted a meeting on May 10, 2019 at 9:00 am. Members present Heinz, Kenney and Thompson. Others present at the meeting: Zach Fairfield, Jason Juchems, Jim Cathey, Eric Devore, Lee Gerrietts, and Robert Richardson.

The meeting was called to order at 9:01 am. The committee discussed the equipment that has been received; all equipment except for the connectors has been received. Jim asked Warner to secure with the supplier a delivery date of the connectors. Two employees have completed their background check and Warner has been notified of their passing the check. Mr. Richardson discussed attempts to apply for a revenue justified project through Ameren with no success. He will continue to contact Ameren to check on the status.

The Asbestos inspector has taken second samples in a few areas, but the District has not received any information back on results. The group discussed the adaptations to the project due to original Asbestos testing. Mr. Richardson will contact the ROE and inquire about the Asbestos. Lee shared that the ceiling heights are acceptable and he will contract Jeremy Wright to get measurements on specific classrooms for ceiling heights.

Lee and Jim will check notes from earlier meetings about the specifics of electric heating sources being needed in locations not getting new HVAC.

The meeting adjourned at 10:03 AM
